

7th grade Spanish class

Mary E. Velez

This beginning level Spanish class provides an introduction to the language and the cultures of Spanish speaking countries.

Students are expected to come to class prepared with a notebook, folder, writing utensil, and an open mind ready to learn.

Students are expected to participate, be respectful at all times, and try their best in class.

Students should review, revise when necessary, and study their notes at least 10 minutes each night.

Students' grades will be determined by quizzes, tests, projects and classroom assignments.
