

Mrs Fredette's Classroom Expectations

Student Expectations:

We have a Three and Done Rule in our classroom.

1. **Warning**
 2. **Warning, write up and lunch detention**
 3. **Warning, write up, lunch detention, sent out of the classroom and we make a call to your parents.**
-
1. **You are responsible for getting the notes and the assignments for any time you miss class or lab due to absence(s).** These notes are available from me or other students and the assignments will be posted on the board and on Google Classroom.
 2. **I reserve the right to inspect your notebooks at any time for evaluation.** I may grade some or all of the notebooks at any time. I EXPECT YOU TO MAINTAIN SEPARATE A NOTEBOOK THAT I CAN COLLECT AT ANY TIME.
 3. **I expect all students to participate in all laboratory activities.** If you miss a laboratory session, **YOU** are responsible to schedule a time to make up the work.
 4. **If you know you are going to be out of school for an extended period, please arrange with me *at least two weeks in advance* to obtain the work you will be missing.**
 5. **Under no circumstances will late assignments be given full credit** unless your **special** circumstances are discussed with me before the assignment is due.
 6. **Safety Protocols** Students are expected to follow the safety guidelines covered during the first week of school. There is a **zero tolerance policy for unsafe practices during laboratory activities.**
 7. For other class policies, refer to your student handbook.

Learning Expectations:

1. **You will be *earning* your grades in this class, I do not *give* grades.**
2. Regular, and active class participation is required. For example: just logging in to Google Classroom is not enough.
3. I expect you to study **at least 10 minutes in addition to** the time it takes to complete homework on a daily basis.
4. **Come to class prepared to learn.** You are responsible for your own learning.
5. Do NOT interrupt anyone else's learning by chatting, or being disruptive in any way.
6. **Complete ALL assignments** to the best of your ability.
7. **Do NOT fall behind in your work.** It is your responsibility to stay caught up.
8. Reading assignments are **NOT** optional.
9. Expect quizzes every week. You will also complete unit exams.
10. **Put away your phone, earbuds or other devices during class and lab,** unless otherwise directed. If I have to warn you more than once in a period, I reserve the right to take your device(s) away for the period. If you decide to repeatedly break the rule, you will be asked to place your device in a storage container at the front of the room every time you come to class.
11. Follow school and lab safety rules and policies.
12. Have fun! This is a really interesting course. You will be challenged and you will grow as a scientist.

Science Department Academic Honesty Policy

To be academically honest means NOT to:

1. Cheat:

- a. Any intentional giving or using of external assistance relating to an assessment (including class assignments, tests, quizzes, projects, etc.) without express permission of the teacher.
- b. Copying any work or allowing another student to copy one's work. All work submitted must be that of the individual student.
- c. Falsifying or inventing any academic work.
- d. Having another student, parent, or other adult write or make major changes to student work.
- e. Copying and pasting another person's work from a website, google search, etc. into your assignment
(NOTE: Assignments that include lengthy quotations will not be accepted. It is expected that the work you turn in for class is in your own words).

And NOT to engage in:

- 2. Unauthorized Collaboration** - Collaborative work will be at the direction of the teacher and be documented according to assignment guidelines.
- 3. Plagiarizing** - Presenting another's ideas, words, or work as one's own. This can be, but is not limited to, copying another student's answer(s) and copy/pasting from the internet/text/etc.
(You only really know information when you present it in YOUR OWN WORDS, if you can't do that, then you don't fully understand the material and should get help!)
- 4. Unauthorized altering, taking or publishing of any student, teacher, or school materials.**

Contact your teacher with any questions you may have about these rules.
