

Mrs. Kane's Classroom Expectations/Guidelines

Expectations:

- Homework is **completed daily** and in pencil.
- Homework is due at the beginning of each class. Students will be responsible for grading their own homework and making corrections. No late work will be accepted. (Students who are legally absent will be given time to make up work without a penalty. The number of days absent = the number of days allowed to make up work).
- All work is to be shown on homework, quizzes and tests or no credit will be given. The process leading to the answer is more important in most situations than the answers.
- Students are expected to complete the notes given in class to help them with their homework. Everything is hole punched so it needs to stay IN THE BINDER. Please do not remove homework from the binder.
- All materials are brought to class daily. This included: class binder, pencil, colored pen, and graphing calculator.

If a student is having trouble, they need to see me immediately and we will figure out a time for extra help. If I am unavailable, students may see Mrs. Dening or Mr. Wais as well for math help. We work as a team!

Calculator:

You will need a TI-84 or TI-nspire Calculator. If you do not have your own, the school will loan a calculator to you.

Grading:

- Daily Assignments: 40%
- Assessments: 60% - Tests are weighted twice as much as quizzes.

Material:

- 3 in binder
- Pencils
- Colored pens
- Graphing calculator
- Compass (Geometry only)
